Rep. Romero,

I realize it is a hectic time with the finish of the legislative session, but I am asking for an update regarding the ethics complaint we filed against Rep. Hochman-Vigil. Do we need to refile it with the interim ethics board or will that automatically take place?

Was there a reason given and who makes that decision, the committee itself?

A bi-partisan subcommittee was appointed to review the complaint decided unanimously to dismiss it.

Paul,

The Speaker is to appoint a committee to look into this. As far as I know he has not. With that said the session was very hectic particularly in the house. So I would wait a week or two and email the speaker. Or call Juan Bursiaga (sp) in Legislative Council. (986-4600)

This is the sum total of what I received from Romero in terms of the decision. I sent it to you at the time, but this is it.
